[REDACTED] that the troops were assigned to various branches of service by the board of examiners. The airfield quarters were occupied by: an air force unit; an AAA unit whose bills were audited by Lieutenant Colonel Tyulenev, (fnu); and an artillery unit whose bills were audited by Lieutenant Colonel Chesnokov, (fnu). On 9 November, Lieutenant Colonel Chesnokov, (fnu), refused to accept a bill which specified that his unit consumed 20 percent of the total electricity used at the airfield installation. The officer stated that he had not yet been assigned an account number by the Kech office in Potsdam, but that he was personally known to the Kech authority there. Truck [REDACTED] was in front of the headquarters building of Unit Tyulenev on 9 November. Three groups of about 20 men each were seen practicing [REDACTED]
